When I

Lately,

serious.

He's  
working  
on  
love.

How did  
you spend  
your youth

For me  
fortunate

loved with  
good

just like  
you were.

風と木の詩②

You shouldn't use things like that.

You only need to become real, think you have a choice, Sergio...

It's true, you have New Arm now...

Since you're here, you don't know about this...

...but I give you a second chance.

It's okay, Rick. Sergio won't fall for it.

Practical

# 風と木の詩①

Maybe...

You don't  
even know  
anything about  
the rumors,  
do you,  
Serge?

You think  
we worried  
about  
Gilbert,  
wouldn't you?

That's  
right.  
Even Paul  
is worried  
about him,  
aren't  
you?

But if Serge  
gets too close  
to him, he's  
going to get  
hurt.

That's not it  
his suggestion was  
for him to try  
to assault every  
single upper  
classman here?

he

Looks like there  
are flowers you  
don't have  
anywhere around  
here either.

We're  
going to  
throw out  
a diamond  
meeting  
party for  
the first  
time.

We  
thought  
it'd be  
a real  
old-fashioned  
party.

For almost  
being a  
diamond  
flower for us  
to select us.

We'd  
like to  
break  
out.

And never  
come back  
again!

And  
never  
come  
back  
again!

And  
never  
come

風と木の神②

He did it

Is any thing I said  
wrong, right?

What  
have  
you...

What's  
wrong  
Your  
face...

all of  
you...  
what have  
you done...

Maybe it's  
not right to  
listen, but  
I want to  
listen about  
him.

Collect  
him with  
me.

no the let  
them take  
me as too

But the adventures  
every morning  
it was just another  
of Arbo's really "fun"  
places.

The light  
was so dim,  
you could  
barely see  
the tip of  
the person  
next to  
your  
nose.

...and this  
could easily  
be made up  
from the  
scent of  
all organs.

You  
couldn't  
hear me.  
Hence, we  
arranged  
one of the  
organs.

Why, on  
that day,  
did we  
have to  
make love  
at?

Trying to  
catch a  
glimpse into  
the world of  
adults. It was  
like a dream.

Personal  
and experience  
made us trouble  
and our hearts  
beat faster...

We each  
fell into  
the desire  
of the person  
next to us.

Look at him... he seems so at ease...

Oh?

How can he walk so that fast?

Why did Gilbert, who still had 2 years to go in C-Class

Well now, I've just had an idea for that boy

He now seems to be paying the pretty thing my attention.

I'll buy him a drink.

This there, brother. What're you drinking?

It's a red one.

風と木の神②

I won't  
be touched  
by a man  
with dirty

Don't  
touch  
me.  
You're  
filthy.

Come  
with  
me, and  
I'll get  
you  
some  
more.

Now! Let  
go! You have  
no right to  
touch me!

But Gilbert  
had to go  
and make  
a huge fuss  
and scream  
"let go!"

All the  
more that  
was put his  
hand of top  
of Gilbert's.

He could've  
easily taken  
his hand away  
if he'd  
wanted.

It was

didn't  
he try to  
sell for  
help?

That...

This is  
where  
everything  
changed.

That  
is the  
question,  
isn't it?

that he  
realized at  
that moment  
that no one  
was going  
to come save  
him?

He'd  
suffered  
so much,  
James...

It's the reason  
why Gilbert  
never drinks  
anymore.

The man  
around him  
stayed in  
there until  
that awful  
man

held him  
down and  
forced him  
to drink.

That was  
the turning  
point—the  
start of all  
the problems.

Maybe  
you've  
found  
the  
reason.

Why don't  
you rest a  
little. Here,  
I'll take off  
your clothes  
so you'll  
be comfort-  
able.

What's  
wrong?  
You spilled  
your liquor.  
Are you  
feeling sick?

I better  
undo these  
buttons...

Relax your body,  
and lie back.  
It's alright to take  
a little nap... you  
don't have to  
hold back.

Don't move  
now— don't  
move, or I'll  
make you  
drink more.

It's  
a girl  
or boy?

I'll just  
take a closer  
look and  
see...

Look at  
that— he  
looks a little  
like a girl.  
Doesn't he?

There  
wouldn't  
have been  
a problem  
if you asked  
them.

But the  
man was  
emboldened  
by all the  
liquor...

That's a good child, we need to resist.

And then You're an obedient one, aren't you?

When I am strong like an Antelope!

But you, you only seem like a girl because girls don't complete.

That  
very  
moment,

We really  
thought he  
was going  
to stab  
Gilbert!

Amah!!!

Gilbert  
shoved a  
fork into  
his head!

風と木の詩②

That little—  
he was  
waiting for  
her to  
come out!

That I  
can't  
say  
anything!

To get  
back at  
me?

It's with  
Huang—  
he said  
he wouldn't  
see him  
any more!

—why??

I'm the  
one who  
left him  
behind!

Go back!

Believe  
This is exactly  
the way I  
wanted it to  
happen,  
though—

no choice  
any more  
possible

If I'm  
as close  
with  
Gilbert?

So do  
you want  
to ask me,  
just like  
Kurt did.

He  
doesn't  
tell  
his.

I must  
certainly  
do feel  
love for  
him.

I don't  
even if  
you think  
I am.

I know  
that he's  
too  
truthful.

you're  
thinking

that I  
flew  
into a  
rage.

I did it  
because  
Kurt was  
teasing  
me.

It was  
because Kurt  
and those  
things all  
the sudden.

That  
dark  
night!

One of  
Yasser's  
possibilities!

Yes,  
that!

I was angry,  
because Kurt  
called him  
dirty.

Gilbert's  
dirty?

I can't  
help but  
feel that

he and  
I

are the  
exact same  
type of  
person!

Did you know  
that when most  
people meet me,  
they think this  
dark night means  
I'm dark all the  
way through to  
the inside?

What Kurt  
was saying  
was correct.

People are  
judged first  
by their conduct,  
and since Gilbert's  
conduct is bad,

We should  
try to find  
out what his  
thoughts were!

Conclude??  
We should  
be concerned  
about the  
exact opposite!

That time...  
Dad's chest  
was covered in  
needles, and  
he called out  
to me.

And I  
knew at  
that time,  
but...

I heard  
his breath  
coming out  
and I didn't under-  
stand what was  
going on.

His  
head  
was dropping  
with a  
thud, and there  
was blood in his  
eyes.

His face  
was spread  
out on the  
grass, and  
he was in so  
much pain.

I was  
so alone  
that...

I could  
see how  
everything  
was so  
small.

Dad!

Gilbert  
knew this,  
and he  
trampled  
me—

I just  
couldn't  
control  
myself!

It's not like  
I didn't know  
people had  
sexual desires,  
but...

He was  
bring out the  
worst part  
of me and  
my family.

Why  
must he  
do things  
like this?

and  
then  
laugh  
at them?

I know  
Gilbert does  
these things  
to wound  
others' pride.

What if that's his way of protecting himself?

When someone reaches out a hand to him, he shakes it off.

He doesn't trust people. That's why he isolates and is solitary...

Everyone gets attracted to him, yet they get upset and run away...

Isn't that how he chooses people?

Don't you see you're going to disrupt Gilbert's institution!

Anger

What if... maybe one accepts him with out getting upset?

He was a  
poet, a  
song, that I  
wanted to  
love.

and the  
pages of his  
notebook slipped  
quietly on his  
lap.

His  
tears were  
blown by  
the soft  
wind.

with a  
faint  
smile.

And  
then the  
quill  
dropped.

even the  
tear is stained  
as rain would  
be suffered.

His  
different  
during  
the  
beautiful  
drop.

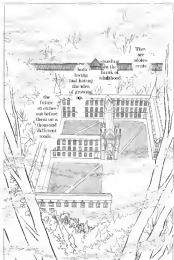

風と木の詩②

*Chapter 2, Adolescence*

It is the  
Springtime  
of their  
lives...

They  
are  
indeed  
great

standing  
on the  
bank of  
a river  
and looking  
the view  
of greenery

the  
future  
should  
not be  
there on a  
thousand  
different  
roads.

It is  
a place  
where  
mystery  
reigns.

Stephens  
walked  
through  
dark  
pale  
green.

The  
eye  
was  
fixed  
and  
stared.

What  
happened  
there  
was  
an  
enigma  
to  
the  
men  
of  
London.

They  
are  
like  
mazes  
that  
have  
just  
been  
built.

It is the  
place where  
they make  
a way  
of life  
undisputed.

Not a  
factory  
comes  
through  
gold,  
pewee,  
and  
tears.

The  
hills  
their  
claim  
with  
descending  
boots.

even  
only  
to  
fulfill  
their  
dreams.

Both  
good  
and  
evil

A Hall houses A-Class students (From 10 to 15 years of age) and B and C-Halls house both B-Class (15 to 18 years) and C-Class (9 to 11 years) students.

It was  
cold last  
night, so I  
couldn't  
go to the  
bathroom.

That's  
right.

His  
body  
still on  
I can't  
wash  
you!

I under-  
stand. How-  
ever... there's  
hot water so  
we can wash  
your feet!

Can't  
even  
clean up  
after your  
self!

Not  
worrying  
today!

Sorry  
to bother  
you and  
ruin this  
morning!

Being  
Student  
Director  
is such  
hard work!  
You should  
be proud  
of yourself!

I know! I bet with all this construction, he gets good bread and speed meals for breakfast!

Nope! Bread or craps, one for breakfast!

From the looks of him, I'd say he gets a lot!

What is the Headmaster getting room service?

Breakfast is served!

Yess! Headmaster's speech is so useful!

Stop pushing! Get us food!

Every one's so excited...

This city must be really great!

Hey, hey, forget! This is your first time going into town, isn't it?

We're going to the bar to drink hard apple cider!

We've already started eating.

Wow, taking care of the underclassmen looks forever today!

You'll have to decide—

Which is more important— me, or not knowing things you don't like?

But what if, with that information—

information ends up getting lost?

and those things people don't want to hear—

That face again...

Can't you even go to breakfast without someone taking you there?

What's going on with you?

but you're only hurting yourself by not resting

I understand. You make that pain bear...

Karl's face

Who are you so afraid that you can't do one thing?

I won't let it happen, and Karl won't either

What happened in the restaurant room. I won't let it happen again.

Why can I be concerned about him?

"Next time,  
I'm looking  
forward to it."

Next  
time!

They  
usually  
think about  
this.

They  
have a  
plan.

It's  
hard to  
think about  
the future,  
but I  
couldn't  
see it.

"Name  
I  
remember  
her!"

Gulbert!

And she  
reminded  
me of  
another  
one.

That girl  
who  
was just  
before

Our  
transfer  
student's  
not a  
stranger?

uh  
huh?

Yeah,  
I bet  
he's just  
famous!

And Arlo has  
never heard  
such elegant  
piano playing!

"She was  
just  
mysterious."

I won't  
hear  
such  
talk!

You  
think  
that's  
ridiculous?

after all, name  
Gulbert sounded  
fancy, his relations  
haven't treated  
him a single time!

That's  
true...

what's  
wrong  
with  
him?

Really,

I'd better  
get back  
to her! and  
the others  
quickly...

He was the same there as he is now.

He was eleven when he first came to this school.

Of course, he's beautiful—like a devil!

When the teacher told him this, he was meaning to say he looked like a devil, but he said a god of death and an angel.

He's the only son of a Communist Official in his class.

This week, the poor Angelus boy is now looking after him, but he was running him terrible.

Angelus Boy! They talk about him in Purgatory English class!

Of course he took full advantage of the situation.

Yoshi, and his old man gives the school really big donations.

Because of that, he got special treatment.

The top of that he was supposed to be a distant relative of the headmaster's super-elaborate housewife.

That above all that, his beauty shined through.

At first, we thought he was old.

Every student in the school fell in love and dreamed of him.

We thought just to get close to him... just to touch his hand.

I'm Galleo

with his face could no longer

But he rejected every single one of them!

He always  
sat alone  
and looked  
out the  
window at  
the stars.

He never  
really fit  
in with the  
rest of us.

A lot of  
people  
thought  
he'd change  
his mind...

But he has  
never always  
followed  
their wishes...  
until THE DAY  
it happened.

It was  
an ordinary  
day... almost  
off... like he  
was waiting  
for something.

the  
fullest  
I've been

It happened  
on that  
very day...
